

The November 2023 Hwy 278 CID board meeting has been cancelled.

The Hwy 278 CID Board Members have been invited to attend by the Newton Chamber of Commerce the “Listening Session of the University of Georgia Archway Partnership”. The CID believes that this is an important planning tool for our community. We want to show our support of the Chamber of Commerce and Newton County Tomorrow as they team with the University of Georgia Archway Partnership to move our community forward.

The “Listening Session” is at the same time of the scheduled Hwy 278 CID regular board meeting 11:30 AM to be held at “The Center” located at 2104 Washington St. Covington, Ga.
